## DINOSAURS IN REYKJAVIK

### WARNING!

Contains man-eating dinosaurs!

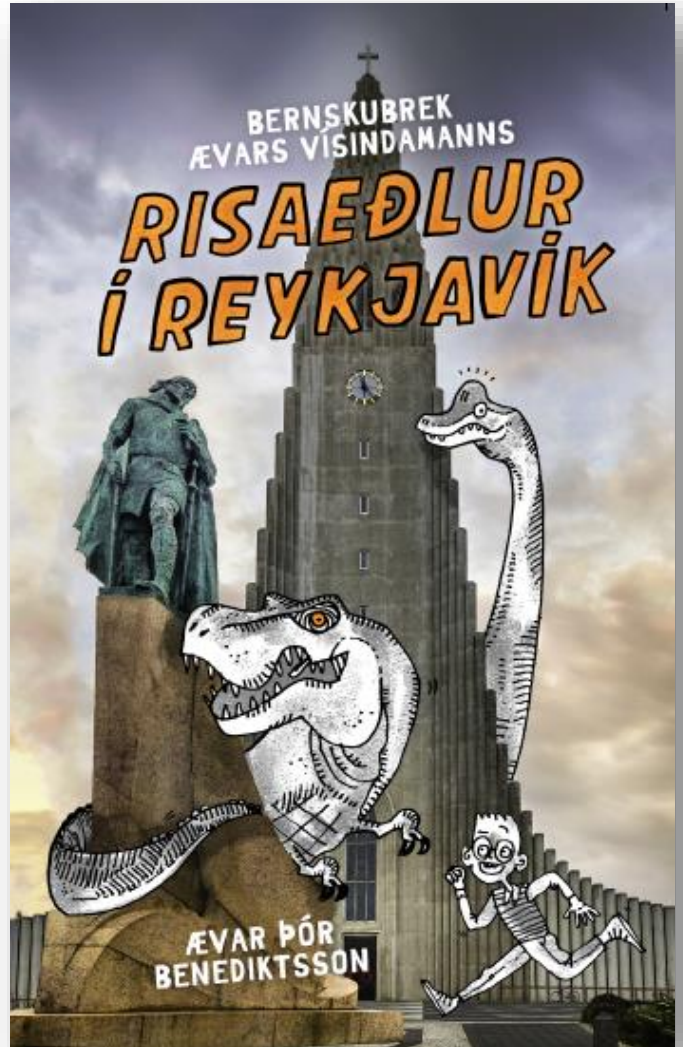

Before Aevor became a scientist he was just an ordinary boy ... well, maybe not completely ordinary. For example, he didn't want any friends and would rather not talk to anyone, except his cat Einstein. But on his eleventh birthday everything changed! This is a book about seven ravaging dinosaurs, a highly dangerous teenager, the usefulness of dodgeball, a bus driver in peril and the best companion in the world. It is also the first book in an exciting series!
