

AEVAR THOR BENEDIKTSSON

THE ROBOT ATTACK

WARNING!
Contains **CRAZY ROBOTS!**

Do you know someone whose favourite pastime is playing with the computer all day long? Aevar was just like that before he became a scientist. He even enrolled in summer school so that he didn't have to play out in the sun. But this turned out to be a dangerous decision because this was no ordinary school...

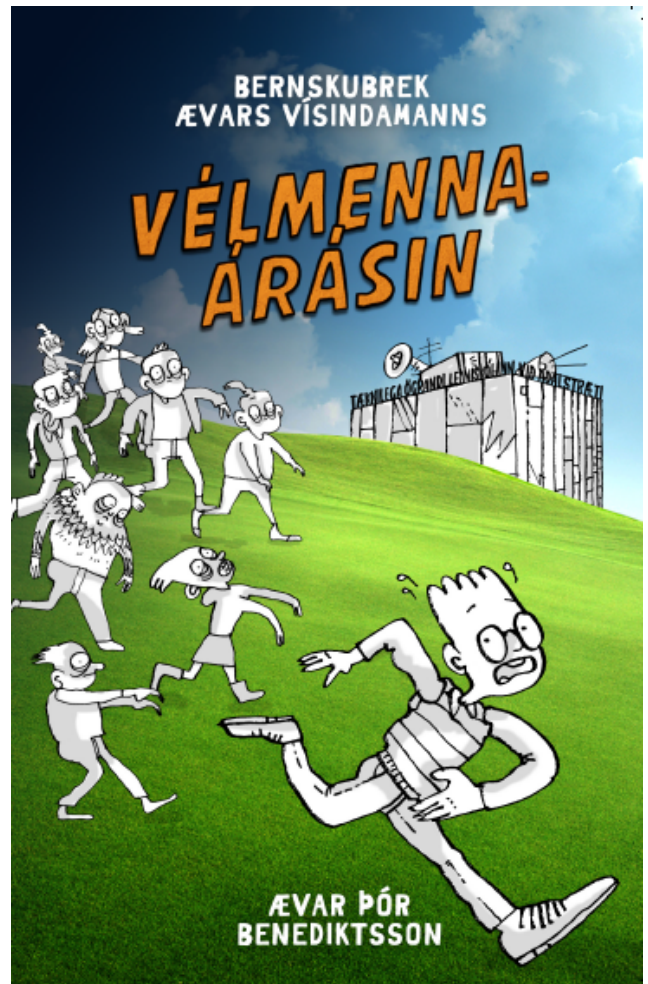

The first story about Aevar's adventures was a huge hit and here the fun continues.

(208 pp, age group: from 6 years)

A thrilling story for readers of all ages!

The Robot Attack uses a special font designed to make reading easier for people with **dislexia** and **reading problems**.

“Incredibly entertaining, funny and fantastical.” Vikan Magazine

AEVAR THOR BENEDIKTSSON (b.1984) has become popular for his entertaining children's books and programmes, on the television and radio. He has won awards for scripts and stage plays as well as a recognition for his work in science and education. His book *Your Very Own Fairytale* won the Icelandic Bookseller Prize and the Children's Book Prize as the best children's book of the year. Benediktsson has also received numerous awards for his TV series about Aevar the scientist. www.AevarWritesBooks.com
