A BOOK THAT WORKS LIKE A COMPUTER GAME—  
YOU DECIDE WHAT HAPPENS NEXT!

Have you ever wanted to get back at someone? Well, in this book, you'll get your chance. Here's the story: you have a babysitter. A babysitter! And she's really grouchy and impatient. But then you find this website where you can actually buy a monster. The prospect is way too tempting to pass up. But will you end up regretting your decision?

*Your Very Own Scary Story* is a stand-alone continuation of the best-selling books *Your Very Own Fairytale* and *Your Very Own Fable* but *Your Very Own Scary Story* is at least three times scarier than the last two books put together. Because in this book, terrifying monsters are a dime a dozen and it's up to YOU to decide what's the best way to stay alive. Good luck!
